EDUCATION

2021 - 2045
MUTAH UNIVERSITY

- Bachelor's degree in Software Engineering
- GPA 80, very serious

SKILLS

- Project Management
- UI/UX Design
- HTML, CSS, JavaScript, Dart
- Flutter
- Computer Networks or Cybersecurity

LANGUAGES

- English (good)

PROFILE

A creative and detail-oriented UI/UX designer with strong experience in HTML, CSS, JavaScript, Dart, and Flutter. I excel at designing user-friendly and visually appealing interfaces that enhance user experience and boost engagement. Skilled in developing responsive web and mobile applications with clean and maintainable code.

I also have a solid background in computer networks and cybersecurity, along with experience in VB.NET, which gives me a well-rounded technical perspective to deliver efficient and secure solutions.

WORK EXPERIENCE

University Team Member

- Collaborated with a university team on various projects, contributing to research, problem-solving, and teamwork.
- Worked in a multidisciplinary environment, ensuring efficient communication and project execution.
-

Online Assistant for Web Team

- Provided remote assistance to a web development team, supporting tasks such as content creation, troubleshooting, and testing.
- Coordinated with the team through digital communication platforms to ensure project deadlines were met efficiently.

Worked on Several Projects in Flutter

- Developed and implemented various mobile applications using Flutter, enhancing user interfaces and improving app performance.
- Collaborated with teams to ensure seamless integration of designs and functionality in projects.
